

CITY OF GLENWOOD SPRINGS

Fire Department Firefighter I / EMT

The City of Glenwood Springs Fire Department is currently accepting applications for a full-time Firefighter I/EMT – ALS preferred. The Firefighter I/EMT will work 48/96 shifts under the supervision of all Fire Department officers, and learn to perform functional and administrative duties in providing EMS, rescue, firefighting, and hazardous materials emergency responses. Non-emergency functions, such as public relations and education, fire inspections, vehicle/equipment maintenance, and station cleaning/maintenance will be required.

Must possess a High School diploma or GED, and have a valid Colorado Driver's License. Requires certifications at minimum of: Firefighter I/EMT Basic, AHA Health Care Provider CPR, and Hazardous Materials/Operations Level; ALS preferred. Specifically what we are looking for is a valid IFSAC or Pro Board Firefighter and HazMat certification, and valid National Registry or Colorado EMT certification. Starting pay is \$15.31/hr - \$19.14/hr depending on experience and qualifications. Rigorous background checks, physical, psych exam, and drug testing will be part of the process. A complete schedule and description of testing can be found at www.glenwoodfire.com.

Applications will be accepted at the Human Resources Department from February 3 – February 24, 2017, until 5 p.m. Resumes and/or certifications submitted without the City's application will not be considered. Applications must be postmarked, faxed, scanned, or otherwise received by 5 p.m. on the closing date. Applications will not be accepted at the Fire Station.
