PRESS RELEASE

June 18, 2020

Mountain Shadows Fire

Glenwood Springs, Colo.- On June 17 at 7:48 p.m., the Glenwood Springs Fire Department was paged to a structure fire on Mountain Shadows Drive in West Glenwood.

Firefighters arrived within 6 minutes, to find heavy smoke coming from a bedroom window on the third floor of a single-family dwelling. One occupant had self-evacuated prior to the arrival of emergency responders. Firefighters immediately attacked the fire from the interior. Crews quickly located and extinguished the fire even though they were met with heavy smoke, high heat, and low visibility as they accessed the third floor. Fire spread was limited to one bedroom but the entire third floor had extensive smoke damage.

Three occupants are displaced. Loss is believed to be in the tens of thousands of dollars due to smoke, fire and water damage.

No injuries of the occupant or emergency personnel were reported. The cause of the fire is unknown. Garfield County Fire Investigation team is investigating this fire.

Glenwood Springs Police Department as well as Firefighters from Colorado River Fire Rescue and Carbondale & Rural Fire Protection District responded in mutual aid.
