PRESS RELEASE

July 17, 2020

Aircraft Accident

Glenwood Springs, Colo – Around 7:49 a.m. this morning, Glenwood Springs Fire Department was called to an aircraft accident at Glenwood Springs Municipal Airport.

Upon arrival, firefighters found a two person aircraft that had left the runway. Firefighters evaluated the two occupants and determined there were no injuries. Firefighters then inspected the aircraft and confirmed there was no risk for fire, and no fluids leaking from the engine.

Incident Commander, Doug Gerrald, said, “We are very thankful there were no injuries.”

The airport was temporarily shut down and has since been reopened.

Glenwood Springs Police Department and Garfield County Sheriff also responded to this incident.

There will be no further information released.
