Rone Engineering is conducting an Environmental Site Assessment of the property located at 3366 South Glen Avenue (Garfield County Assessor Account #R550004): Rone request digital copies if available of any environmental information associated with this address such as that pertinent to environmental health, specifically information on current or former underground storage tanks, grease trap permits, sandtrap or oil/water separator permits, building permits, hazardous waste documents, code enforcement violations, certificates of occupancy, and environmental reports if any. Please inform me if there will be a charge for the above requested information and reference Rone Project 23-27809. Thank you in advance.

Thank you in advance,

Ana Salamanca
